Dear Sir

As you have some knowledge of my literary work - of only from the copies of my books which the Durbar has been good enough to purchase from time to time - I venture to make this application through you, & to solicit your good word on its behalf with the Dewan

I need not tell you, for it is well known, that the literary profession is one of the most arduous & uncertain in the world, & this is especially the case when historical work, which entails so much research, is the object At the present time I am engaged on the sequel to my

last- book (The Battle of the Boyne &c)
& as this requires residence for some
time in Paris it is especially desirable
& expensive Indeed unless I can
obtain some help in the matter
do not know how I shall succeed
I should be most grateful if the
Government of His Highness the
Maharajah would render me some
help out of consideration for my
literary work
I do not know what I could
do to deserve it, but I would
try to find some opportunity
although I should appreciate
any assistance whatever I take
leave to mention that the sum
of fifty pounds would enable me

to pass two months in Paris
& to make copies of necessary
documents

I would suggest that if the
Administration & other Reports
were sent me I could often
notice them in the press here

Hoping you will take an
interest in my affair

I am,
Dear Sir,
Yours faithfully
Demetrius C Boulger

Dear Sir

I have not received any reply to my letter of 2nd August I fear you have found complaints with the report contained therein more difficult than I had hoped it would be.

The Lab In K Khedives Jyce Knew of my visits on reference to Egypt & generally my will in the old days, & I presume you are related to that excellent gentleman & statesman. That was one of the reasons that gave me the courage to address you I should therefore be much obliged if you could bring my petition before the Minister, & as I

connection with the
following proposal am
opportunity presents itself
for me to make an article
on Mysore with illustrations
I should be much obliged
if you will let me have Administration
